Program Information

The YMCA takes a community wide approach to meeting the needs of working parents and their children. As a community partner with schools and families, the YMCA ensures that affordable quality child care is provided to all children, regardless of their geographic location.

We believe that your child should have a safe, fun, and nurturing environment to come to every day. It is our goal to stimulate your child's mind through various activities that promote creativity and foster social, emotional, and physical growth.

- Our programs are licensed and registered with the New York State Office of Children & Family Services.
- We are certified by NY State to administer medications.
